Premium Products

SCOTCH Golden Bird's Nest (Dried Bird's Nest)

Selected from the premium-grade, genuine golden bird's nests which
can only be found in abundant natural caves on the islands in
Southern Thailand, the source of the world's greatest bird's nests.
Scotch Golden Bird's Nest (Premium Grade) offers the whole dried
golden bird's nests purely from nature distinctive
from other dried bird's nests available in the market.
It can be mixed with other ingredients
for unique flavor experience.

Who are we?

Since 1983, Scotch Industrial (Thailand) Co., Ltd. has experienced steady and sustainable growth. Committed to strict quality assurance, **SCOTCH** focuses on producing health-oriented beverages that meet the evolving needs of health-conscious consumers. Through ongoing research and development, **SCOTCH** continues to deliver high-quality products using premium, world-class ingredients under the **SCOTCH** trademark.

What we do?

All **SCOTCH** products are certified by trusted nutritional institutions and rigorously tested to meet global standards. As Thailand's leading local brand, **SCOTCH** is dedicated to maintaining international standards by integrating advanced technology into every stage of our production process to deliver premium health products worldwide.

The Food and Drug Administration and The Department of Health has placed importance on quality control.

SCOTCH products comply with these regulations, contributing to their strong reputation and popularity among health-conscious consumers.

Philosophy

Through Scotch's sterilization production system and sterile container closure technology, the Scotch products are guaranteed on freshness.
